Dear Mr. Costello:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-You have failed to designate the Bank of Edwardsville and the First Community Bank of Godfrey as depositories on your Statement of Organization (FEC FORM 1). Commission Regulations require that each political committee disclose the name of its campaign depository or depositories (State banks, Federally chartered depository institutions or depository institutions the depositor accounts of which are insured). Please amend (electronically) your Statement of Organization to disclose all committee depositories. (11 CFR § 102.2(a)(1)(vi))

**Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter.** Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.
